## 12<sup>th</sup> Annual Caregiver Fair

Saturday, October 1<sup>st</sup>, 2022

10:00 am - 2:00 pm

The Caregiver Fair is an annual event specifically focused on caregiver issues and their challenges. This event historically *draws an attendance of 300+ caregivers* from Livingston County and surrounding areas.

The information provided from local vendors is appropriate for those caring for seniors and younger individuals needing guidance and professional assistance. The Livingston County Consortium on Aging's purpose is to present the care partners of Livingston County with resources that they may not realize are available for their loved one, such as transportation, nutritional care, support services, financial counseling, home safety, respite and homecare.

**Through our efforts in the community, including the execution of The Caregiver Fair, we are able to provide grants to local non-profit organizations that serve our Livingston County Seniors.**

In the past few years, LCCOA has been able to gift tens of thousands of dollars directly back to organizations who use the gifts to provide programs, services, and equipment to aging adults in Livingston County, to further the support of *Active Aging, Aging in Place, Community Engaging Seniors, and Community Infrastructure.*

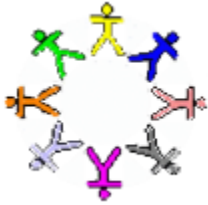

**Your sponsorship dollars will help us further achieve our mission and continue to positively impact the aging adults in Livingston County.**
